Department of Mathematics

PROBLEM SOLVING CHALLENGE

The challenge is split into two sections;

Q1 – Q3 for Junior Cycle

And

Q1 – Q5 for Senior Cycle including TY

Students can submit their answers on an A4 sheet with their

Name, Year and Class

Answer sheets should be placed into the box in the office before 4pm on the date given on the question sheet

Prizes will be presented for correct solutions each month as follows:

1st and 2nd for Junior Cycle

And

1st and 2nd for Senior Cycle

In the case of multiple correct solutions, winners will be picked from an open draw

Good Luck.
