WHAT WE HAVE BEEN UP TO:

STUDENT COUNCIL 2019/20

Croghan Hill Challenge

In early October, the first years of St. Mary's took on the mighty Croghan Hill challenge. The Student council showed their full support at this event by encouraging and helping the students through every step of the way, and weren't afraid to get their hands dirty either! Despite the gruelling weather conditions, the first years pushed on through and completed the challenge with smiles on their faces. Well done to everyone involved.

First Year Elections

Our First Year Student Council elections are well under way. For the first time ever, the Student Council of St. Mary's will have two first year members. We are now into the final stages of voting with each class having already elected two nominees. We would like to wish these nominees the best of luck in the upcoming ballot!

Your Voice Matters

As the representative body of the students in our school, we are always keen to listen and learn of any concerns or ideas that any of our students have, so don't be afraid to get involved!

"If you've got a question or query, don't be shy to ask one of our council members. We'll be happy to help."
